WINTER BOOKING POLICY: STATUTORY HOLIDAY WEEKENDS & RECURRING WEEKEND BOOKINGS

Family Day and Easter Long Weekend Booking Policy

Purpose: This policy outlines the requirements for members booking during the BC Family Day and Easter statutory holiday long weekends.

Policy: Members booking for the BC Family Day (second Monday in February) and Easter long weekends are required to pay the full value of the booking in advance. If payment is not received within one week of email receipt of the booking (to bookings@tyrolskiclub.com), the booking will be cancelled. Long weekend bookings will be accepted on a first come, first serve basis. Requests for changes in occupancy or cancellations of the booking must be made three (3) weeks in advance of the long weekend, otherwise the payment for that weekend is forfeited (or portion of the payment in the case of changes to the booking that affect the size of, or number of, rooms needed).

Recurring Winter Weekend Bookings Policy

Purpose: This policy outlines the requirements for members making recurring weekend bookings during the winter season.

Definition: The winter season period is defined as the 14 weeks of Whistler Kids ski lessons starting early to mid January and finishing in April each year. A recurring winter season booking is defined as two (2) or more weekends per month, booked in advance. A weekend booking is defined as a Friday and/or Saturday night booking.

Policy: Members booking recurring weekends in the winter season are required to pay a deposit of 75% of the cumulative value of the booking at the time of the booking. If payment is not received within one week of receipt of the booking (at bookings@tyrolskiclub.com), the booking will be cancelled. Accommodation fees will be credited against the deposit. Changes in occupancy or cancellations must be made three (3) weeks in advance of a booking, otherwise the deposit for that booking is forfeited (or portion of the payment in the case of changes to the booking that affect the size of, or number of, rooms needed). Sickness is not an exception. Special circumstances must be approved by both the President and Lodge Operations Director.

NOTE: the BC Family Day and Easter long weekends must be paid 100% in advance. For clarity refer to the below example and recurring winter weekend booking form.

Example: Family of three (3) booking for every Saturday night for the duration of ski school i.e. 14 concurrent Saturdays including a night during each statutory long weekend. Deposit = (2 nights x \$65 x 100%) + (12 nights x \$65 x 75%) = \$715. If only one adult and one child stay at the lodge and the change in occupancy is provided with less than three weeks notice, the accommodation fees will be the Family of three rate of \$65 rather than the rate for one adult and one child.
